# escape on a family holiday

This summer create a classic holiday memory with your family and friends.  
Go camping the easy way with a Motorhome or Campervan from Coastal Campers.

## Motorhome holidays made easy

A motorhome is a great way to travel and holiday, especially with a family. It's safe, cost effective and flexible. And it gives you; transport, a kitchen, bathroom and a place to sleep. There's a seatbelt for everyone and our late model motorhomes are easy to drive. You'll also enjoy the extra views that come from sitting up higher.

## Everything's included; just bring your food & clothing

At Coastal Campers we make it easy for you. We've thought of all the little things you may need and included them in the motorhomes so all you have to bring is your personal items. You'll find outdoor chairs & table in every one and room for the fishing rods. At the end of the day come home to a hot shower and enjoy a great nights sleep on the comfortable beds. Our 4 and 6 berth models feature king sized beds & the children can sleep soundly on the top bed with the safety net in place. All of our motorhomes and campervans have cooking facilities and fridges so you'll save money when you prepare your own meals. Our upgraded modern fleet of motorhomes & campervans (apart from our \$ Saver model) are all certified self contained by the NZMCA and we encourage responsible camping.
